The Whisker Cares List

Your Purchase Helps Animals in Need

Whisker Gifters is dedicated to supporting those making a difference in their communities by helping animals in need. You can choose a 501(c)(3) not-for-profit animal welfare agency to which Whisker Gifters will donate 5% of your order total (excluding tax, delivery and shipping). Choose an organization you currently support or one from the Whisker Cares List, a compilation of organizations with which we're familiar or to which we've previously donated. Last Hope, Inc. P.O. Box 61 Syosset, NY 11791 (631) 425-1884

Last Hope, Inc. is a not-for-profit, tax-exempt organization, that is dedicated to the rescue and rehabilitation of death-due pound, stray and abandoned animals.

Through its many programs, Last Hope, Inc. is attempting to reduce the tremendous cat and dog overpopulation problem on Long Island, encourage responsible and economical pet ownership, and transform the public image of the typical pound animal.

We offer low-cost spay/neuter assistance for dogs and cats, low-cost pet vaccination clinics, early neutering of all kittens and puppies, our fix-a-feral program, adoption programs, community outreach and public awareness campaigns.

Tails of Hope Foundation, Inc. P.O. Box 2325 Monroe, NY 10949-7325 (845) 926-3478

Tails of Hope Foundation, Inc. ("Tails of Hope") is a not-for-profit organization dedicated to advancing the field of veterinary medicine and helping to eradicate cancer and other life-threatening diseases affecting companion animals.

Tails of Hope is a collaborative, pioneering effort among general and specialty veterinarians, veterinary technicians, experts in human medicine and the public, each of whose participation is critical to making progress in combating these dreaded diseases. Everyone's participation in this pioneering effort is not only welcomed by Tails of Hope but is essential to accomplishing our goals. We invite you to join us in our efforts, so that together we can bring hope to companion animals suffering from these life-threatening diseases and to the families who love them.

And because companion animals suffer from some of the same life-threatening diseases as humans do, progress in combating these diseases in companion animals may just help humans, too.

Elsa's Ark
P.O. Box 2900
East Hampton, NY 11937
(631) 329-2900

Elsa's Ark was formed in an effort to help abandoned and abused animals. We focus on:

- The rescue, rehabilitation and home placement of animals deemed "not adoptable" because of age, health or temperament
- The spaying/neutering, safety, feeding and medical maintenance of stray animals in our community
- Providing care, comfort and sanctuary to elderly and infirm animals

We work in cooperation with many other animal rescue operations in the United States. Our long-term goals include bringing the Hamptons into the no-kill movement. Our more immediate mission is to find loving, permanent homes for the animals that are currently in our care so that more creatures can be brought in, rehabilitated and moved on to good homes.
